

Good to the very last drop

*There was a time,
no peace of mind
had no shout, question and doubt,
tried to figure out, what life was all
about.*

*Since Jesus came, I'm not the
same,
took me in, forgave my sin, some
kind of friend,
he gave his life for my pardon. Oh!*

*Ain't no party but the Holy Ghost
party for the Holy Ghost party don't
stop.
So many reasons praisin' my Jesus,
good to the very last drop.*

*Ain't no party but the Holy Ghost
party for the Holy Ghost party don't
stop.
So many reasons praisin' my Jesus,
good to the very last drop.*

*He's worthy of glory and honour and
power,
salvation belongs to Jesus.
My rock, my fortress, strong tower,
deliverer,
Jesus is my portion.*

Ain't no party ...

*We sing Hallelujah, Hallelujah,
Hallelujah, Hallelujah.
I love praisin' my Jesus. Can't stop
praisin my Jesus.*

Ain't no party ...
